EDUCATION

University of Alberta

Bachelor of Science in Computer Science, Minor in Psychology

Edmonton, AB

Sept. 2020 – May 2025

EXPERIENCE

Student Technology Assistant

Kensington Dental Clinic

Edmonton, AB

May 2022 – Aug. 2022

- Coordinated the upgrade of the clinic's technology infrastructure by researching and negotiating with vendors; implemented new software and hardware systems that increased patient satisfaction by 25%.
- Assisted the dental clinic staff in managing and maintaining technology systems and equipment.
- Collaborated with the IT team to identify and resolve technology-related issues.

Private Academic Tutor

Self-employed

Edmonton, AB

Oct. 2020 – May 2022

- Offered personalized one-on-one tutoring services in Computer Science and Mathematics to students ages 12-18, resulting in significant improvement in their grades.
- Developed strong interpersonal and communication skills and the ability to work with students of different ages, learning styles, and abilities.
- Maintained a consistent client base, demonstrating a proven track record of delivering high-quality tutoring services.

PROJECTS

Personal Portfolio Website

- Designed and developed a personal website portfolio using HTML and CSS to showcase my projects and skills.
- Implemented effective navigation and user-friendly layouts to enhance accessibility and engagement.
- Implemented responsive design techniques to ensure optimal viewing experience across various devices, including smaller screen sizes, such as smartphones and tablets.
